Post Show Report

Registering record break business deals, Media Expo Delhi sets Standards of Success!

Sprawling over 12,445 sqm of space, 186 exhibitors, country pavilions and footfall of over 12,639 trade visitors, the 41st edition of Media Expo Delhi truly established high standards of success.

The three day business event witnessed packed halls with brimming and fruitful discussions, showcase of technology advancements, introduction of innovative products and solutions, striking business closures, attendance of eminent industry leaders, influencers, decision makers and focussed buyers across the country.

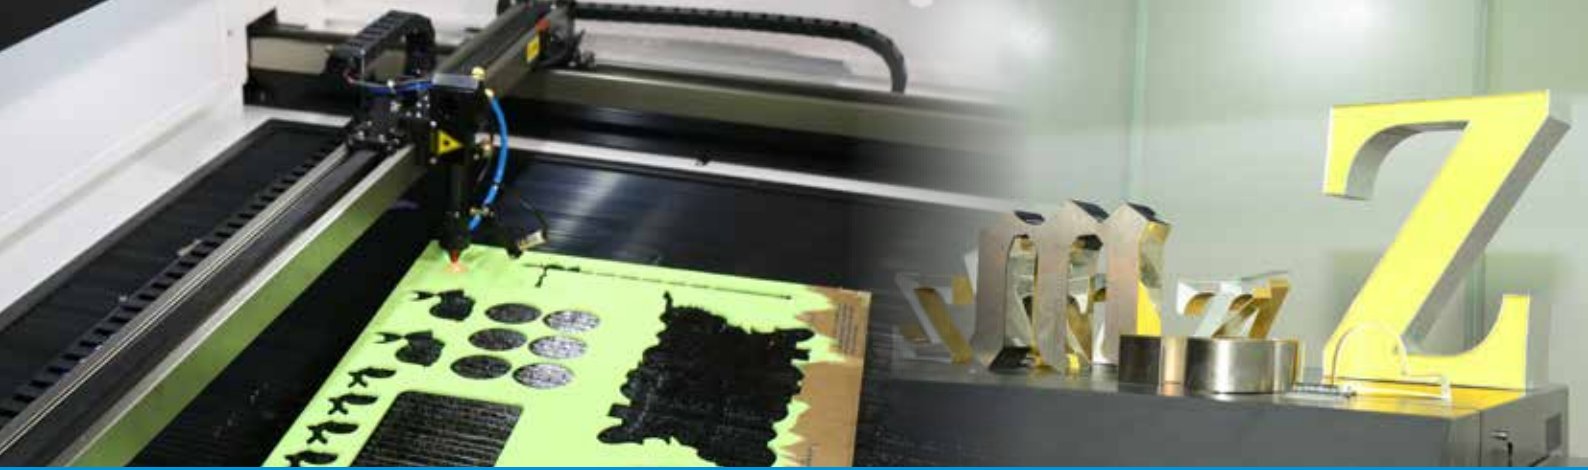

"This year at Media Expo New Delhi, we had launched two new machines with advanced technology. Messe Frankfurt has taken Media Expo to international standards. We have a good relation with them and we will be there in the next edition too."

"Media Expo has been a great platform for us as it adds a lot of value to the brand. This year again, we are very pleased with the kind of visitor response we received at the exhibition. Also, we are delighted to have closed more than **100 deals** for Solvent, Eco Solvent and UV Printers which is a record in itself."
